

The Abbe Museum

The Abbe Museum is pleased to offer several unique spaces which may be rented for private, corporate and non-profit functions.

At the downtown facility, the Community Gallery is a nice setting for a workshop or meeting, and the Courtyard is a pleasant spot for a summer evening gathering; the Circle of the Four Directions is perfect for an intimate wedding and the Community Gallery, which is adjacent to our catering kitchen, works well for a small reception.

Additionally, a private outdoor lawn is ideal for a larger wedding reception with a tent. The Museum is fully wheelchair accessible.
